

QUALITY POLICY

"The management and employees of Adamjee Insurance demonstrate prime commitment in satisfying customer needs for managing the risk assessment in General Insurance.

In alignment with satisfaction of customer need, processes are established to support the vision and values of the company.

We use QMS- 9001/2000 as a tool to continually review and improve the effectiveness of our implemented systems. We regularly assess our processes and practices, to build on our relationship with all our stakeholders including customers, shareholders, strategic partners and employees."
